OUR GOAL

The goal of *Kid Scoop News* is to open the doors of discovery for elementary school aged children across the state of Louisiana by providing interactive, engaging, and relevant age-appropriate materials designed to awaken the magic of reading at school, at home, and throughout their lives.

OUR COMMITMENT

Kid Scoop News is committed to a vision of ensuring that every child has access to the tools and materials they need to read, write, and participate productively in their community. *Kid Scoop News* allows children to tap into their natural curiosity and expand their minds while fueling their sense of wonder.

WEST FELICIANA

805 MONTHLY COPIES

"Our first through fifth grade students in West Feliciana Parish Schools have been receiving copies of *Kid Scoop News* since last spring. *Kid Scoop News* has been an excellent publication for students that is educational, highly engaging, and fun. Our educators have found them to be timely and unique materials to send home for families. Our students have been fortunate to receive *Kid Scoop News*, and we hope to continue this partnership in the future." -Hollis Milton, Superintendent of West Feliciana Parish Public Schools

ZACHARY

2,200 MONTHLY COPIES

"*Kid Scoop News* is a great free resource for our students and teachers that allows students to read grade-appropriate content and enjoy content activities. In addition, this resource provides our students and families with authentic ways to experience the fun of reading." -Ben Ncaise, Superintendent Zachary Community Schools

EAST BATON ROUGE

12,000 MONTHLY COPIES

"As an educator, I want to express my strong support for *Kid Scoop News*. 'Every Child, in Every Class, in Every Community, Every Day' are the guiding words for the East Baton Rouge Parish School District. Literacy is a cornerstone of our educational mission, and KSN has this shared vision. KSN has been an integral part of the school community due to its ongoing contributions to literacy initiatives." -Susan Gauthier, Director of Library Services Division of Literacy

POINTE COUPEE

855 MONTHLY COPIES

"The students and teachers in my school district love receiving and reading the *Kid Scoop News* publication. It has articles that are interesting to the students, and it encourages them to read. We want to cultivate lifelong readers and *Kid Scoop News* helps us in this initiative. We love it!" -Kim Canezaro, Superintendent of Pointe Coupee Parish School Board

IBERVILLE

1,620 MONTHLY COPIES

"The Iberville Parish School System has partnered with *Kid Scoop News*. Our elementary students receive the new edition monthly. The features, articles, and engaging activities provide relevant information and help to support student learning. Students and educators look forward to their arrival each month." -Arthur Joffrion, Former Superintendent of Iberville Parish School Board

WEST BATON ROUGE

1,507 MONTHLY COPIES

"The key to improving education is having great leaders and teachers in our schools. For that to happen, we need to spend more time looking for the great work teachers are doing for students...and celebrate that. *Kid Scoop News* does that with every publication, highlighting students and the positive impact of school on their life." -Wes Watts, Former Superintendent of West Baton Rouge Parish Schools

"Louisiana is experiencing a literacy crisis with only 46% of students mastering ELA content by the end of third grade. Louisiana believes children are our highest priority. *Kid Scoop News* provides quick, easy-to-use activities and reading passages that support and strengthen school-home connections and deepen learning. The Louisiana Department of Education encourages regular reading at home and in the classroom to ignite a reading revival." -Dr. Quentina Timoll, Former LDOE Chief of Staff
